## CHOOSE YOUR TEQUILA

**Tequila:** Mexican liquor distilled from the fermented juices obtained from hearts of the blue agave plant grown in the Tequila Region of Mexico. The liquor gets its name from the town of Tequila located in the state of Jalisco where production started more than 200 years ago. Tequila is famous around the world for its unique taste and bouquet and it is also the essential ingredient used in Margaritas that has become one of the most popular cocktails ever.

**Blanco or Silver:** Aged under 60 days

**Resposado:** Aged two months or more in an oak barrel

**Anejo:** Aged in oak barrels for over a year
